From mergers to equity financings, Erin Nichol helps her clients close deals and resolve a range of issues that can arise during complex corporate transactions. She brings a business-savvy perspective to the legal advice she gives, and she understands the pressures her clients face, day in, day out.

Business savvy plus legal knowledge

Erin handles a wide variety of complex business transactions, including mergers, acquisitions and dispositions, corporate restructurings, commercial transactions, joint ventures and equity financings. She also advises on day-to-day corporate governance issues and commercial matters. Her clients include startups, private equity firms and private and public companies in several industries, including parking and hospitality services, restaurants, consumer products, pharmaceuticals, health care and specialty finance.
